### Our Mission

The Aliveness Project links people living with HIV to resources for leading healthy, self-directed lives.

### Our Vision

Across Minnesota, there is decreased stigma of HIV/AIDS, increased access to services, and better health outcomes for people living with HIV. The Aliveness Project's members feel supported as part of a safe community center that maximizes their health and wellbeing. Staff reflect the epidemic; deliver programs that evolve from member needs and a changing environment; and dedicate themselves to the overall health of the Aliveness community.
