

the **Aliveness** project

JOB POSTING

CASE MANAGER

The Aliveness Project is a thriving non-profit organization dedicated to supporting stability of health and wellness for people living with HIV/AIDS in Minnesota. Founded 30 years ago, Aliveness provides important supportive services such as emergency food shelf, hot meals, case management, integrative therapies, and HIV prevention outreach/programming. In addition, Aliveness provides a physical space for people impacted by HIV to participate in educational programming, build skills and create community. We have a dynamic, mission driven staff, an atmosphere of learning and fun, and a dedication to providing a positive experience for all who walk through our doors.

Primary Responsibilities:

Non- Medical Case Manager provides various levels of case management assistance to individuals living with HIV/AIDS, many of whom seek help with substance use, mental illness, housing instability, food insecurity, and other issues which prevent achieving or maintaining stability.

As NMCM, primary daily tasks include:

- Conduct comprehensive assessments (psycho-social, program/service eligibility) and re-assessments of case management clients.
- Complete individual service plans with clients to set goals and strategies to overcome barriers (including but not limited to mental health, chemical health, un/under employment, housing instability or criminal history) to maintaining stability.
- Maintain a caseload of up to 50 clients with at least monthly follow up.
- Maintain client records and files, collect required documentation from clients, complete data entry of client notes, process information for program reports and invoicing, etc.
- Participate in team wide activities and initiatives including trainings and meetings.
- Participate in Staff Liaison roster, ensuring safe and welcoming space for members and staff.
- Engage in outreach and recruitment of new clients at membership services activities throughout the year, including annual picnic, holiday gift program, etc.
- Other duties as assigned.

Knowledge, Skills and Abilities:

- Bilingual Spanish/English is strongly desired.
- Previous experience in providing case management services to low-income individuals, including psycho-social assessment of clients, interdisciplinary care coordination, monitoring of health/social service delivery, and development/usage of client-centered care plans.
- Knowledge of social work and case management guidelines and issues related to working with low-income clients, including data privacy, confidentiality and HIPAA compliance.
- Knowledge of issues and community resources related to HIV/AIDS, chemical dependency, mental health, housing, health insurance, and other barriers.
- Ability to listen well and assist clients in de-escalation and problem solving.

- Appreciation of and commitment to racial equity and gender inclusion in all aspects of work.
- Ability and desire to work with a diverse population.
- Knowledge of and skills using personal computer equipment and related software for word processing (MS Word), client database (MS Access) and spreadsheets (MS Excel).
- Skills in preparing client files, records and program reports.
- Strong and timely communication skills with both clients and other professionals.
- Skills in planning such as identifying and sequencing action steps to achieve results.
- Ability to work with clients respectfully and act in a confidential manner.
- Ability to manage, prioritize, categorize, and complete multiple tasks.
- Ability to manage stress in a proactive manner.

Education: Bachelor's Degree in Social Work or related field.
Minnesota Social Work Licensure is helpful, but not required.

Experience: Previous experience providing social services in a job that involved carrying a caseload and the following duties: psychosocial assessments, interdisciplinary care coordination, resource development, development and utilization of client-centered care plans. Experience in providing services to people experiencing homelessness and/or mental and chemical health issues strongly preferred.

Hours: 40 hours per week, including evening and weekend hours.

Salary: Salary range is 38,000-43,000, depending on experience. Benefits include health insurance, holidays and Paid Time Off (PTO).

To Apply: Send resume and cover letter in a single Word or PDF document to ddegnan@kariskinnovation.com. No faxed or mailed materials.
